A notice was received from Mr. E.J.Fream, Director under the Debt Adjustment Act of the Province of Alberta, and calling attention to the fact that it appeared that the Department was a creditor and asked for information in this regard.

Mr. Fream was advised by the Seed Grain Branch that the seed grain indebtedness had been paid in full.

A notice has now been received from Mr. Fream that a Certificate under the Debt Adjustment Act has been issued.

As I understand the Debt Adjustment Act of the Province of Alberta is somewhat along the line of our Bankruptcy proceedings and possibly the pre-emption entry is being held as security in regard to Mr. Yeo's debts. I would ask if you would not consider it advisable that the attention of Mr. Fream be called to the fact that title to this land remains vested in the Crown until same is paid for.

In regard to this land I would call your attention to the fact that a Certificate of Recommendation was issued and an extension of time granted until the 1st of November,1[illegible]. An application for the renewal of the extension upon the Certificate of Recommendation was received, but the extension of time until the last of November, [illegible] refused

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated July 19,1952, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account as contained in the said report, be and the same are, hereby APPROVED and ADOPTED.

Re: George R. Yee

Joint Relief Advances

The above party obtained the following Joint Relief Advances through the former Municipal District of Carlington #34.

March 1,1920	$459.60
May 1,1921	21.00
	480.60
Interest December 31st,1951	930.42
	$1,411.02
Payment Nov. 25,1930 on A/C Principal	93.94
	$1,317.08

A recent search letter discloses that the title to the N.W. 36-6-11-W.4th is free of all liens and stands in the name of Mary Yee who is likely the wife of the debtor. A search letter in respect of the Title to the N.E. 36-6-11-W.4th indicates that no lien for the sum of Twenty-one dollars ($21.00) was registered and as a result the advances for Four hundred and fifty-nine dollars and sixty cents ($459.60) only secured by a lien on the Title to the N.W. 36-6-11-W.4th.

The debtor has approached this office for a compromised settlement of this account and has remitted the sum of Three hundred and fifty dollars ($350.00) in this connection.

The debtor advises that his health failed in 1944 and that he found himself unable to continue his farming operations, selling his entire farm holdings for Fifteen dollars ($15.00) per acre in the fall of 1949 half in cash and the balance on one-third crop share payments. There is a balance owing under the Agreement for Sale of approximately Two hundred and fifty dollars ($250.00).

...ter has been under almost continual medical care and in addition has been under heavy medical expenses for care for Mrs. Yee who suffered a stroke in [illegible] and is now confined to a wheel chair as a result of breaking her hip in [illegible]. In view of these circumstances it is readily understood that the payments for the farm went entirely towards living expenses and medical and hospital care. Mrs. Yee is now in receipt of Old Age Pension and Mr. Yee will be eligible in one more year and as they are receiving the supplementary benefits provided by the province they will be relieved of the cost of medical care in the future.

In addition to the money still owing on the farm Mr. Yee has cash and bonds totalling Twenty-seven hundred dollars ([illegible]) and owns a half interest in the house in which he is living in the city of Lethbridge.

In view of the foregoing particulars I feel that the sum tendered represents a fair settlement and it is my recommendation that the balance of the account be written off and the lien cancelled.

Provincial Seed Grain Advances in the original amount of Three hundred and fifteen dollars ([illegible]) have already been cancelled together with accrued interest.

Yours very truly,

Replying to your letter of the 4th instant, I am directed to inform you that there is no authority under which the holder of a South African Scrip location may abandon the same, and obtain money scrip in lieu thereof.

In this connection I may call your attention to the fact that a Volunteer or his substitute, who locates his military scrip upon any land, and whose entry is subsequently cancelled for non-compliance with the conditions attaching to his entry, thereby exhausts all his rights under such military scrip.

I am in receipt of your letter of the 20th of July, last, and would advise that the above land is located outside of the homestead lease area, and it is not likely that it will again be used for farming purposes.

This quarter section is included in Grazing Lease No. 31690, which is held by Augie Sauer of Medicine Hat, Alta. This lease issued for a term of twenty years, computed from the 1st of January, 1940.

Re: Account of Alfred Sewik
N.E. 25-14-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918 seed grain amounting to $87.20 was advanced to Alfred Sewik on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 87.20	$ 148.09	$ 235.29

The N.E. 25-14-10-W4 was formerly the homestead entry of the debtor on which security he obtained an advance of seed grain in 1918. His entry was later cancelled and the land is still Crown land held in the right of the Province.

In reply to our questionaire of the 20th of July last, E.F. Weaver, Acting Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"I am in receipt of your letter of the 24th of July, last, and would advise that the above land is located outside of the homestead lease area, and it is not likely that it will again be used for farming purposes.

This quarter section is included in Grazing Lease No. 31690, which is held by Augie Sauer of Medicine Hat, Alta. This lease issued for a term of twenty years, computed from the 1st of January, 1940."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

(a) has purchased, under the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or

Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows: —

Conflicting Claims

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive an application for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is established, or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the said land until such application made before the Sub-Agent or Local Representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Right of Entry in Area A Restricted

By Section 126 of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows: —

"Notwithstanding anything contained in this Act, no person shall be granted entry for land situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion system of survey unless such person satisfies the local agent to the satisfaction of the Minister of the Interior that he or she is in permanent residence upon and is performing bona fide operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the patented land which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Ottawa 11th January, 1910

Gentlemen,

With reference to your letter of the 14th ultimo, enclosing, among other things, an assignment from Celestin Jolicis, Sr. of Pierre Jolicis, to Frank E. Wilson, of Lethbridge, Alta., of the N.W. and W.½ of the S.W. ¼ of section 1, Township 7, range 9, West 4th Meridian, I am directed to return such assignment, herewith enclosed, and to call your attention to the fact that while the assignment is dated the 5th September last, the jurat of the affidavit is dated the 22nd of the same month. It is also observed that the vendor is described therein as of Isle a la Crosse, while in his application for scrip, made in 1906 before the Commissioner who investigated Half-breed claims, his place of residence is given as Lac la Loche Mission. It will be necessary to furnish the Department with satisfactory evidence with regard to these discrepancies.

I may add that in any event the patent for the said land could not at present be issued, as the plan of the subdivision of the above named township, approval by the Surveyor General, has not yet been received in the Department.

This transfer was returned to us and in the covering letter attention was drawn to the fact that the assignor in his application for scrip gave his address as Lac La Loche. whereas in the transfer he was described as of Isle La Crosse. The date has been corrected and duly initialled by the witness. and also in the Jurat by the Commissioner.
